WE HAVE GREAT NEWS! We have partnered with Viewpoint Vision Care and will be having a clinic here at UMH!

At a date to be determined, we will be hosting an eye clinic. There is a fee for the clinic that will be taken from your loved ones trust account with consent. They will have frames on site and will assist with lens consultations as well as fittings and measurements. Eye exams will be completed upon request, and referrals can be made as appropriate based on each individual assessment.

If you are interested in receiving updates regarding upcoming Viewpoint clinics on our campus, please contact Jessica @ jgrabell@umh.ca or Ext. #2504

There is a fee of \$100 per Tenant that is not covered by OHIP for the mobile service.
